## INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees  
San Mateo County Community College District  
San Mateo, California

We have conducted a performance audit of the San Mateo County Community College District (the "District"), Measure A General Obligation Bond funds for the year ended June 30, 2017.

We conducted our performance audit in accordance with *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our conclusion based on our audit objectives. We believe the evidence obtained provides a reasonable basis for our findings and conclusions based on the audit objectives.

Our audit was limited to the objectives listed on page 3 of this report which includes determining the compliance with the performance requirements for the Proposition 39 Measure A General Obligation Bonds under the applicable provisions of Section 1(b)(3)(C) of Article XIII A of the California Constitution and Proposition 39 as they apply to the bonds and the net proceeds thereof. Management is responsible for San Mateo County Community College District's compliance with those requirements.

Solely to assist us in planning and performing our performance audit, we obtained an understanding of the internal controls of San Mateo County Community College District to determine the audit procedures that are appropriate for the purpose of providing a conclusion on the District's compliance with the requirements of Proposition 39, as specified by Section 1(b)(3)(C) of Article XIII A of the California Constitution, but not for the purpose of expressing an opinion on the effectiveness of internal control. Accordingly, we do not express any assurance on the internal controls.

The results of our tests indicated that, in all significant respects, San Mateo County Community College District expended Measure A General Obligation Bond funds for the year ended June 30, 2017 only for the specific projects developed by the District's Governing Board and approved by the voters, in accordance with the requirements of Proposition 39, as specified by Section 1(b)(3)(C) of Article XIII A of the California Constitution.
